

## PRESS RELEASE

Ken-Ton Meals on Wheels announced today that they have completed another highly successful Annual Fund Campaign at the end of 2014. “Our end of the year drive starts with a letter to every address in the Village of Kenmore and Town of Tonawanda. Once again the support of the community is overwhelming. Over fifteen percent of our operating revenue comes through donations from residents, businesses and service clubs, and that allows us to maintain low costs for our clients.” said Dan Wiles, Executive Director. “ On behalf of the Board of Directors, our staff, clients and volunteers I want to thank everyone who donated to our mission in 2014.” Following is a list of those who sent a donation to the organization in the past year:
